Super Mom... Lee is the mother of six kids in the definition of a modern blended family | Her kids include a foster child, an adopted child, a daughter born to a surrogate, and a natural born daughter, along with two kids from a previous marriage |

Health Battles... Jeanette was diagnosed with stage IV ovarian cancer in 2021 and has come through treatment better than any doctor expected | She continues to fight cancer with the strength she used to take on so many other battles during her life and career | She was diagnosed with scoliosis at the age of 13 | To alleviate the pain, doctors implanted a steel rod in her spine | From the age of 13 until August of 2005, Lee underwent nine additional surgeries to further strengthen her back | She continues to be a national spokesperson for The Scoliosis Association, Inc. | Because of severe scoliosis, many thought Jeanette would not be able to carry her own child but she defied the odds with the birth of Savannah |

Chronicling Her Story... ESPN documented Jeanette's career and battle with cancer in an award-winning 30 for 30, *Jeanette Lee Vs.* | Jeanette is publishing *The Black Widow: A Memoir* in 2024

APA... A longtime partner of the American Poolplayers Association, Jeanette now owns and operates the Tampa chapter of the recreational pool league. She continues to make appearances at other chapters.

She's Got the Look... Featured in *ESPN The Magazine's* 2nd Annual "Body Issue" | Named one of the *Sexiest Female Athletes in the World* by ESPN, *Ten Women We Love* by Esquire and *Dozen Most Attractive Women Athletes* by Aloette Cosmetics |
